

# THE BIGGEST VOCATIONAL SCHOOL IN PORTUGAL

*training future professionals*

profitecla.pt

we believe that the future depends of well qualified people, competent and spirited openness to change.

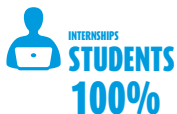

we believe on the talent and potential of our students, through effective training and qualification professional, appropriate to their aspirations and oriented labor market.

Profitecla is a vocational school with a educational system recognized for excellence, based on principles, with high participation in the education sector and training. Want a continuous improvement involving actively the whole school community.

**Its mission is to promote a high level of training and adapted the needs of modern society, combining the theoretical to practice, to ensure its students a teaching excellence, as well as its civic education as responsible citizens.**

*Founded in 1989, by the Contract Program with the Ministry of Education, under the Decree-Law No. 26/89 of January 21, has been repealed by Decree-Law No. 70/93 March 10 and Decree-Law No. 4/98 of January 8, currently in force.*

indicators of our activity encourages us to proceed with the spirit we started with this project for **33 years...**

the geographical dispersion of our schools help to **broaden horizons** of our students and **share experiences** ...

we encourage our students  
for the discovery of  
**adventure and knowledge ...**

we aim to prepare young professionals giving them theoretical skills and practices necessary to implement one or more professions in the area that are proposed.
